Fall Time is Here

Fall is here and it is time for all of us to be back to school. As of September we started our full schedule of academics. Parents will notice an increase level of homework assignments. Students will have weekly home work assignments to be completed at home. Assignments range from academics to different forms of arts and Kraft. Some of the assignments may be completed during school hours.

Through the school year parents will

notice an increase level in the children's knowledge. More importantly, we will be having fun while learning and developing different skills. Our goal is to provide a quality educational program balanced with a developmental approach to nurture the development of the "whole child". We will ensure a supportive, patient, and a confidence building atmosphere.

Back to School Night

On October 9, 2008, we held our annual Back to School night. It was very successful and a fun filled evening. The parents had the opportunity to meet the teachers and tour the classrooms. Students had the opportunity to display their academic and art work for the parents viewing.

The evening was kicked off with a guest speaker from Kidz Playland. She introduced the parents to alternative ways of keeping children interested in learning. Additionally, this year our Director, Joyce Martin, came up with a great idea for Back to School night. Her idea was that the parents deserve to have fun like their children do in Bonnie Academy. "If you are at Bonnie Academy, you have to have fun". Therefore, she decided to hold a raffle as the evening came to a close. Thanks to the prize donations from local businesses and vendors, Back to School Night at Bonnie Academy was a huge success. It is fair to say that some parents went home with nice prizes and big smiles.

Special Thanks to the following Bonnie Academy Friends

Bonnie Academy would like to thank the following vendors for the donation of gifts that were used in the Back to School Night raffle:

- ❖ Beautiful Nails
- ❖ Starbucks
- ❖ Linens N Things
- ❖ Kidz Playland

Please support our local vendors in Glendale, CA. A community that works together succeeds together.
